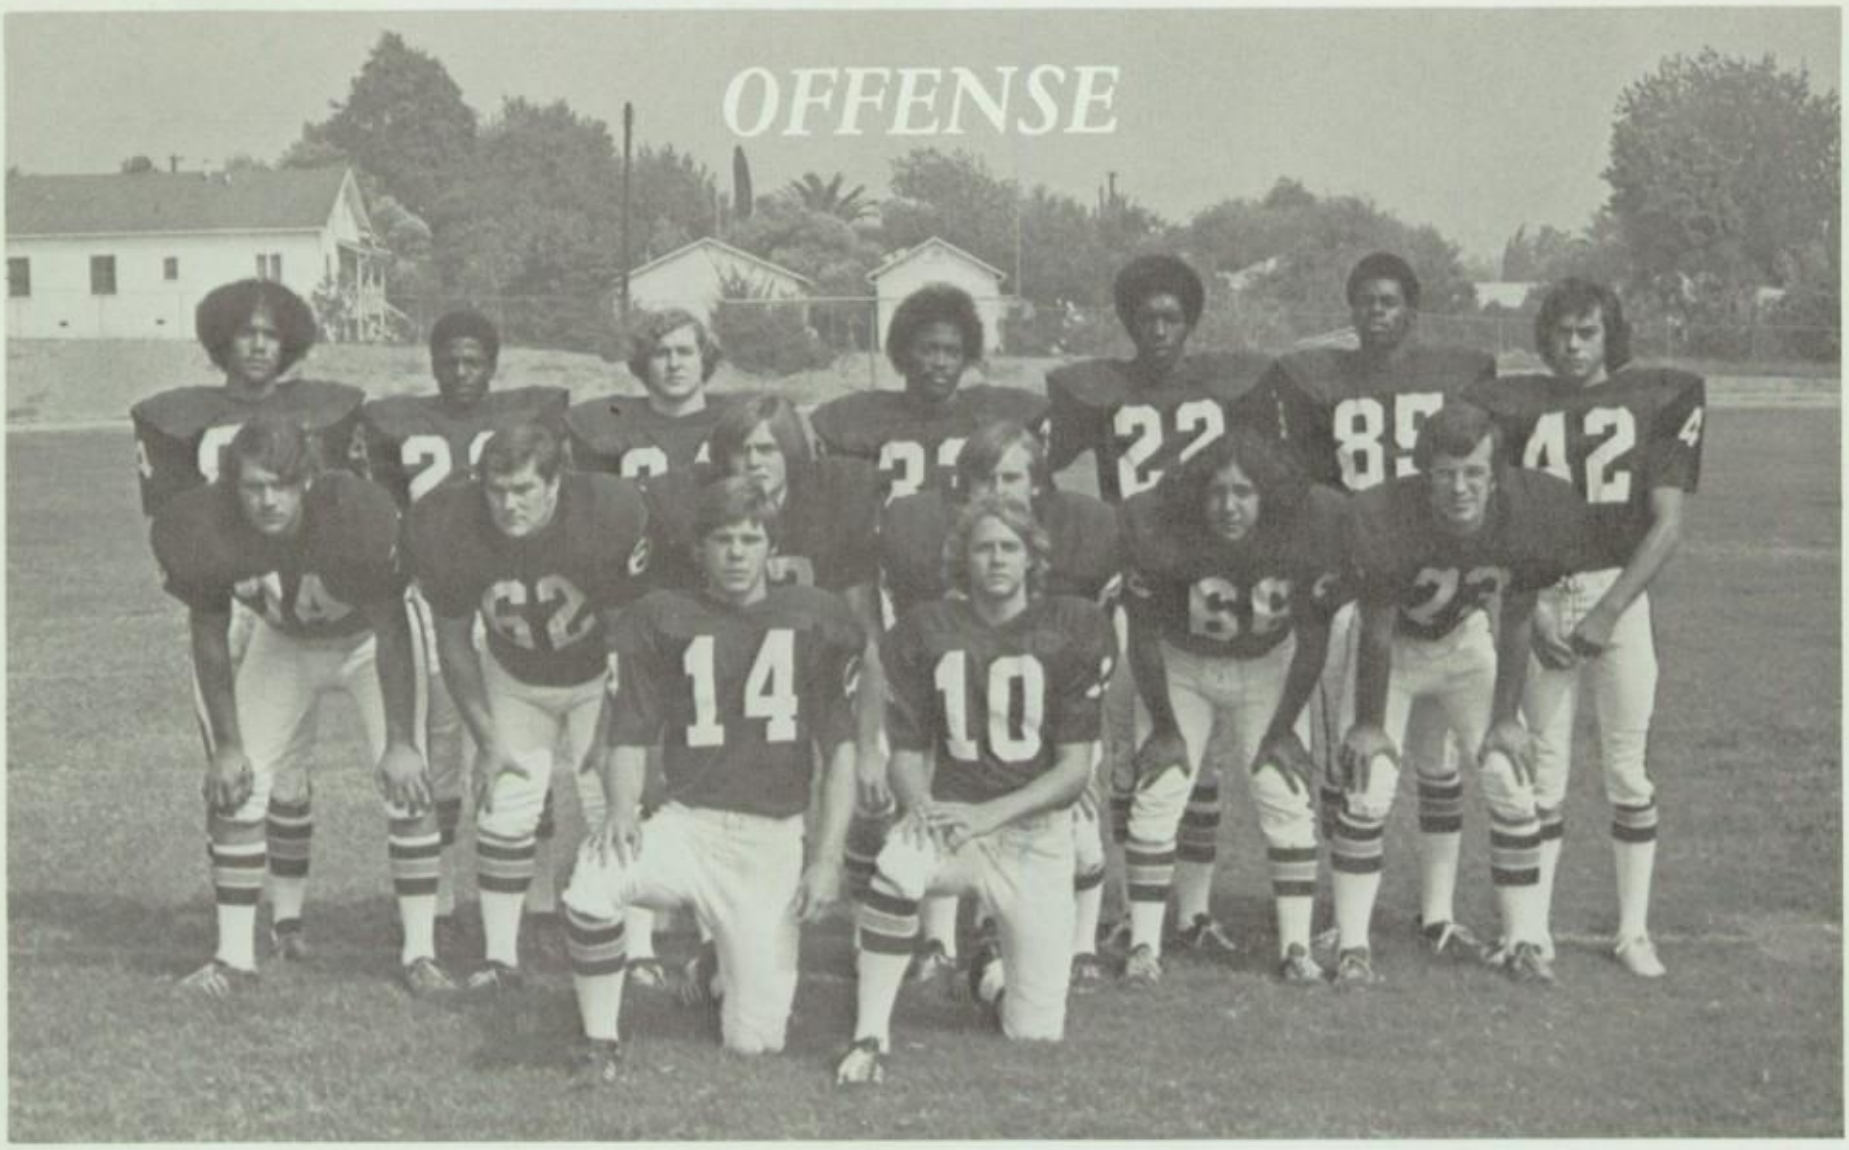
OFFENSE



DEFENSE

George Graves and Jim Laffin led the way for Duarte's best football team in years. The team set a standard for themselves and kept it throughout the season by winning their first five games. Highlighting the season was George Graves' 225 yards rushing at Baldwin Park, Teddy Myles' outstanding game at Artesia, and Jim Laffin's fourteen unassisted tackles against San Marino. The big win over San Marino put Duarte on top. Duarte was number one! Homecoming brought another night of spectacular football. The forceful Falcons took South Pasadena 28-0. Ending the season with a seven and two record. The Falcons finished ninth in the top ten of the 2A division (a first for Duarte), and rated every week by C.I.F., placing fourth in scoring in the Valley, and fifth in defense.

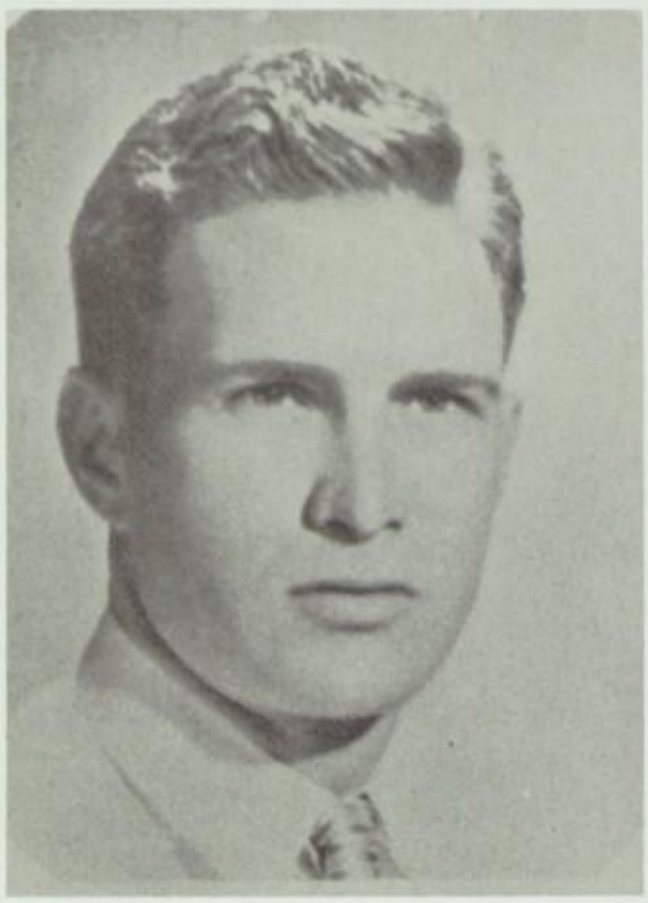
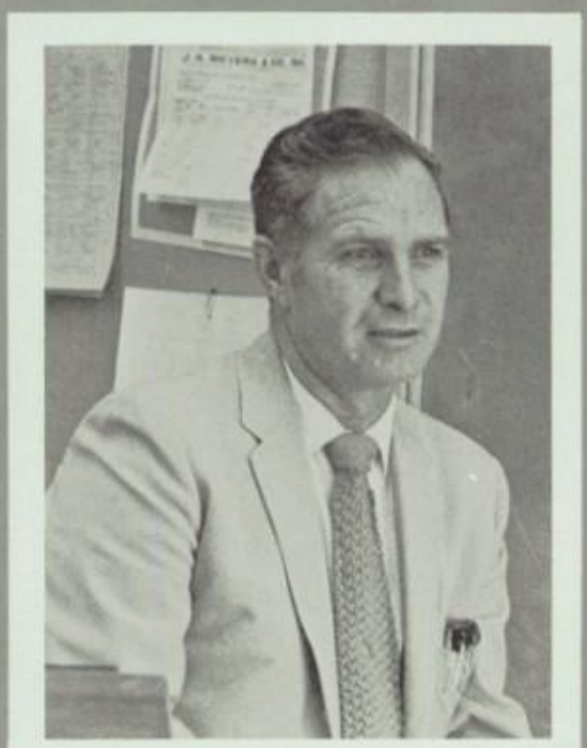
Faculty



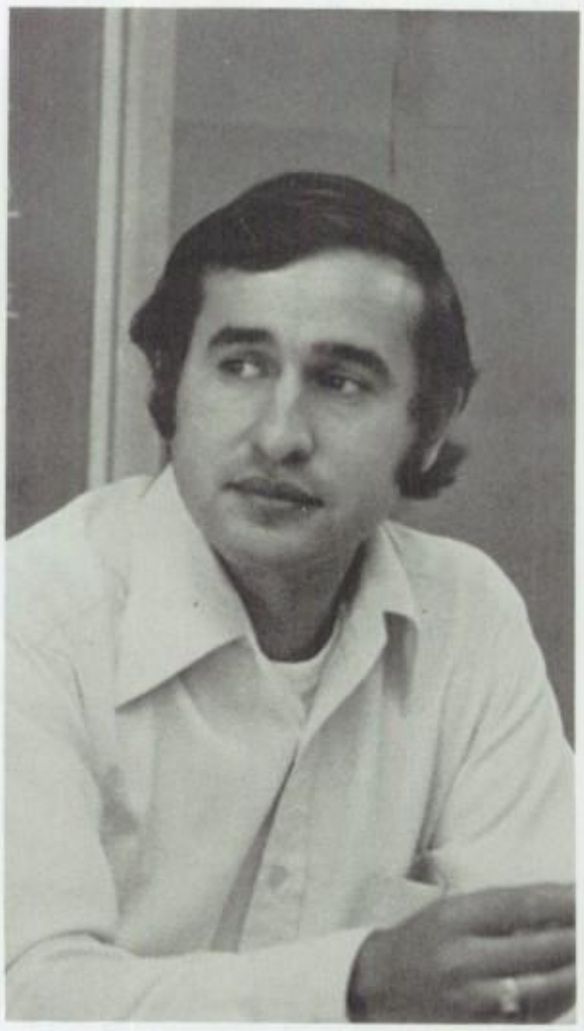
"From Polly Anna to Deep Throat"

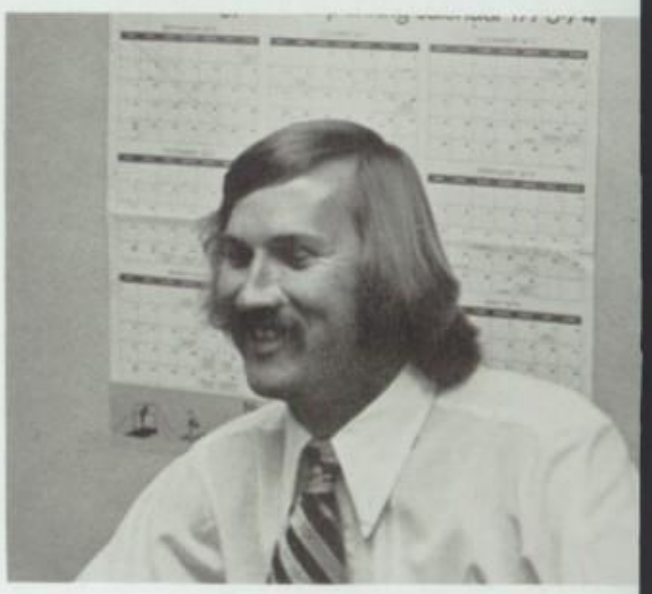


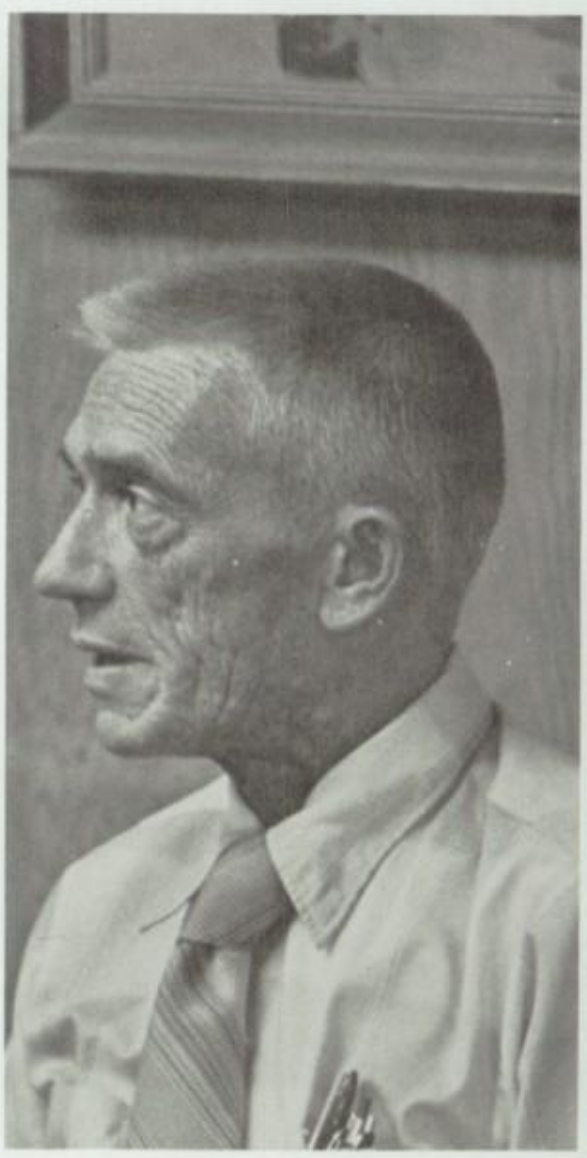
What is our Faculty made of?

On the following faculty pages we tried to get pictures of the teachers in a normal school-day situation. (We hope you enjoy them as much as we have.)

To the right is Mr. Flores with his well-known "Deadly-Look." In the upper right hand corner is our own little "Dear Heart," Mrs. Seares. With the sporty tie is Mr. Newman with his foxy smile. Flashing that famous finger is Mr. Langdorf. Next to him the lady in deep thought is Mrs. Farrell. Crew-cutted Mr. Logue looks like he can't get a word in edgewise.

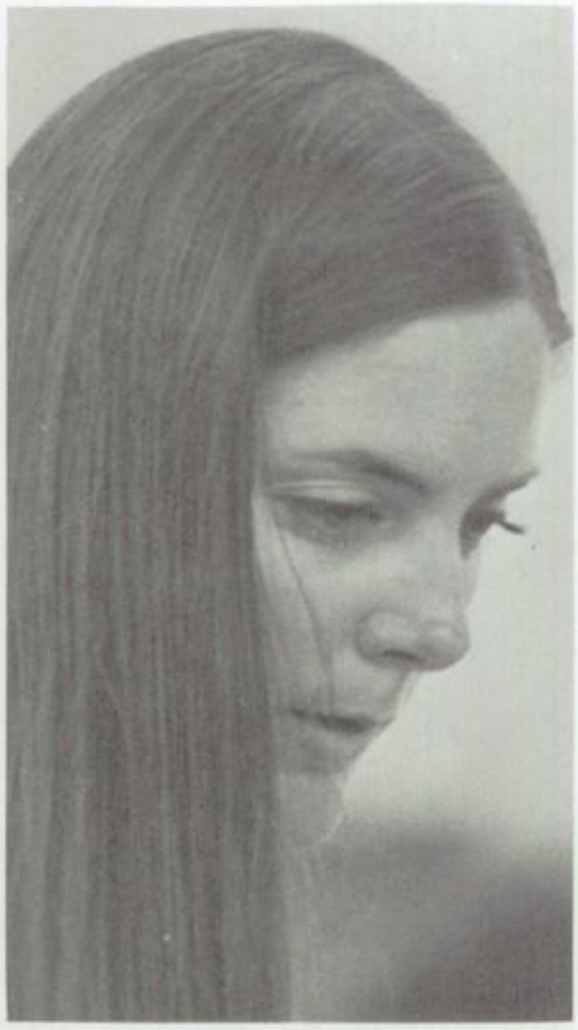


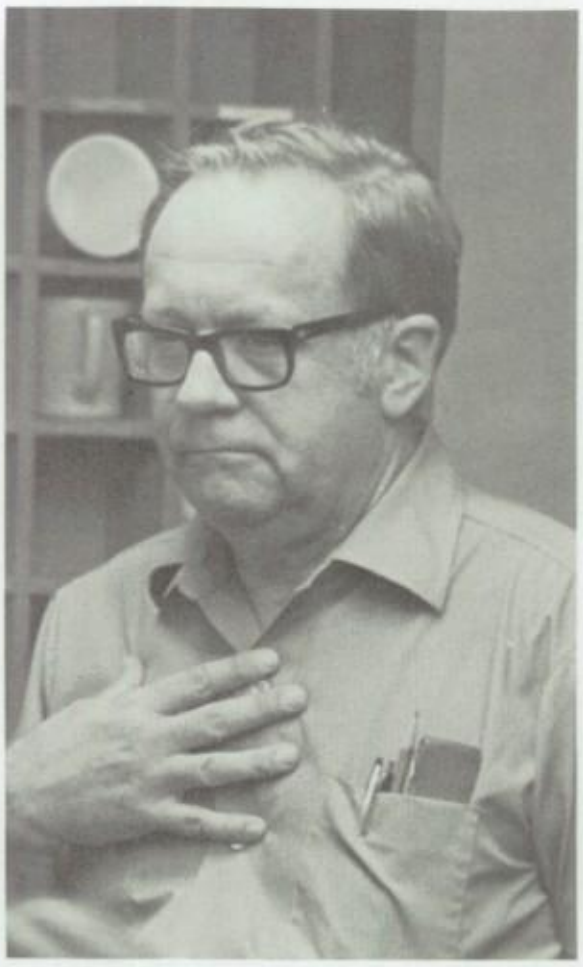


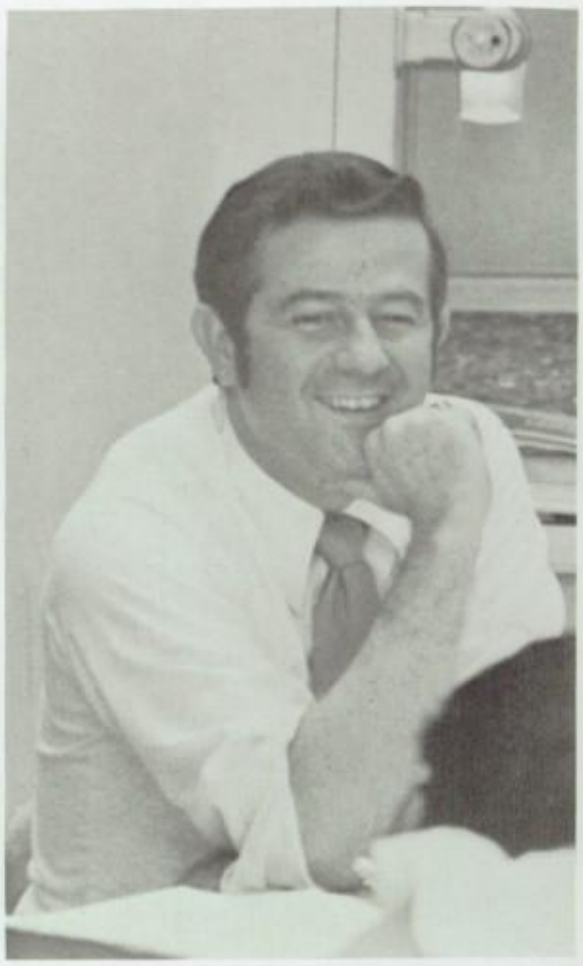


Smiling Faces
Girl-Getter mustaches
Phone Conversations

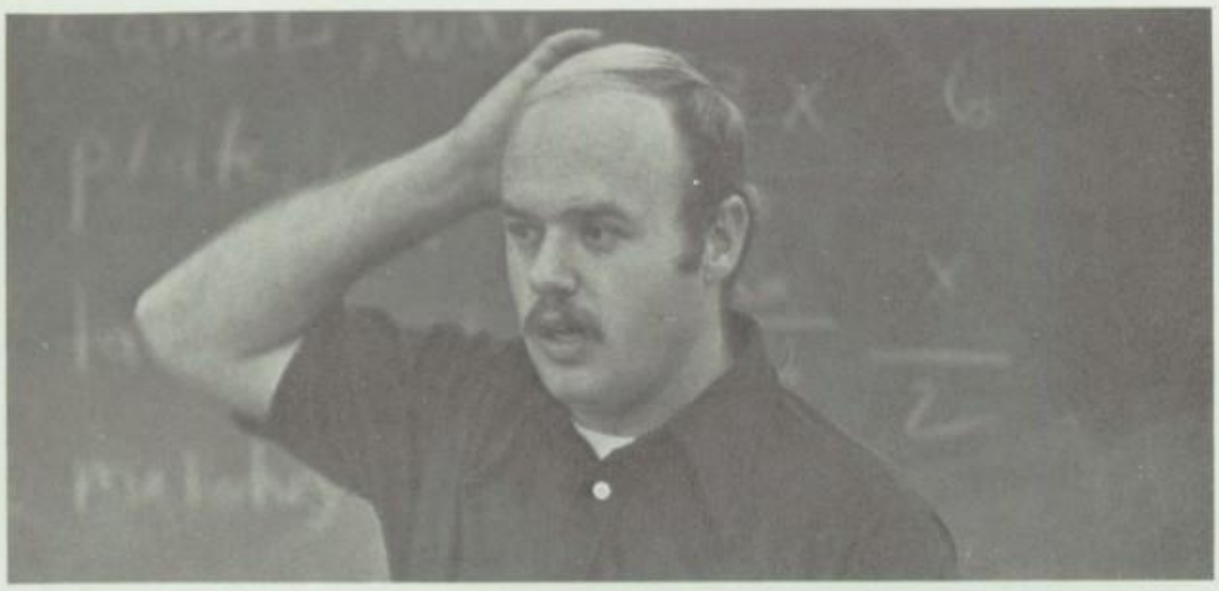
Smiling with her arms up in surprise is Mrs. Ricks. With his girl-getter mustache is Mr. Bowers. On the phone is Mrs. McNulty, next to her is Mrs. Farris who has got to be kidding us. The nice lady with glasses is Mrs. Spurbeck. In stripes is Coach Coldiron's favorite Redhead!



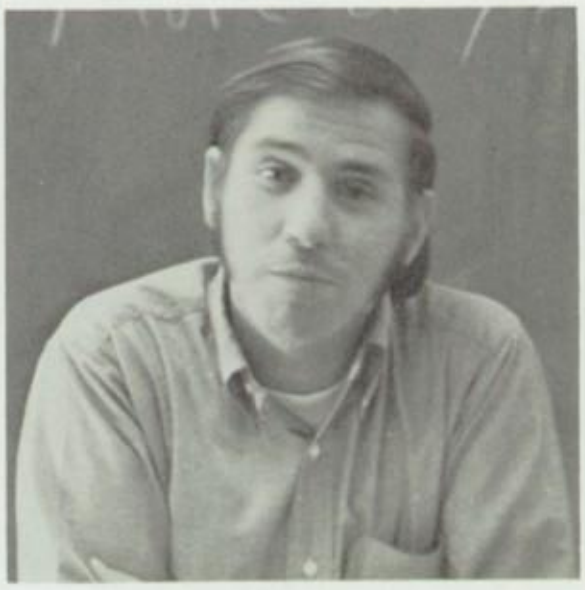




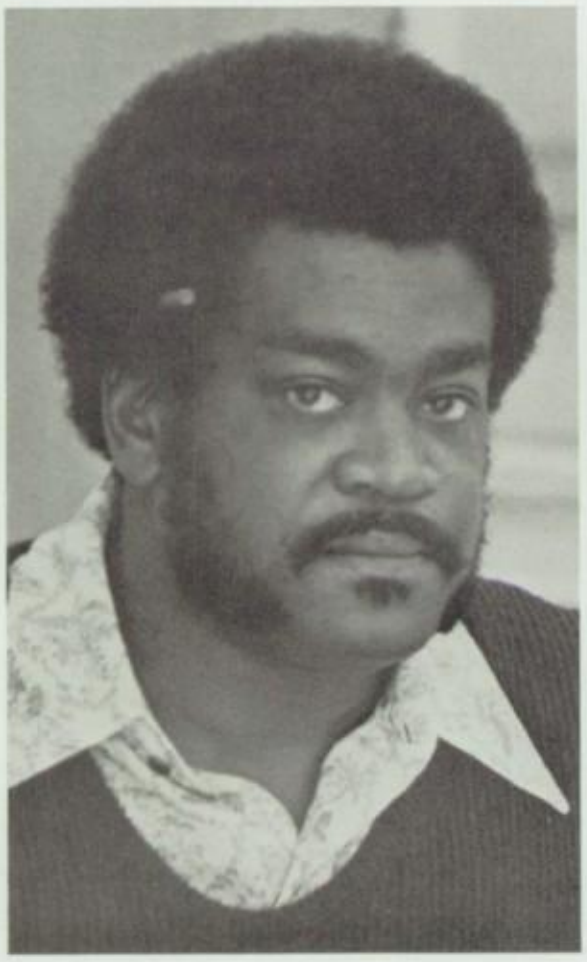
Serious looking Mrs. Tennille is a business teacher. The man who looks like he's saying the pledge of allegiance is Mr. Frank. (ah, how patriotic!!) Sitting at his desk smiling is Mr. Douglass. Giving one of his exciting lectures is Mr. Hodges. Hamming it up with his cute dimples is Mr. Wylie. Pictured last on this page is Mrs. Pope one of Duarte High's first teachers.

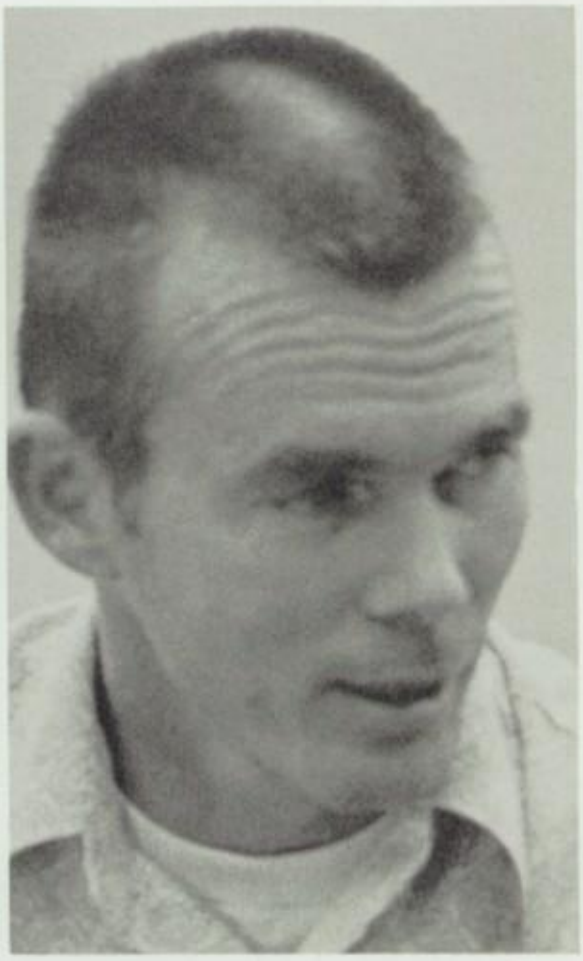


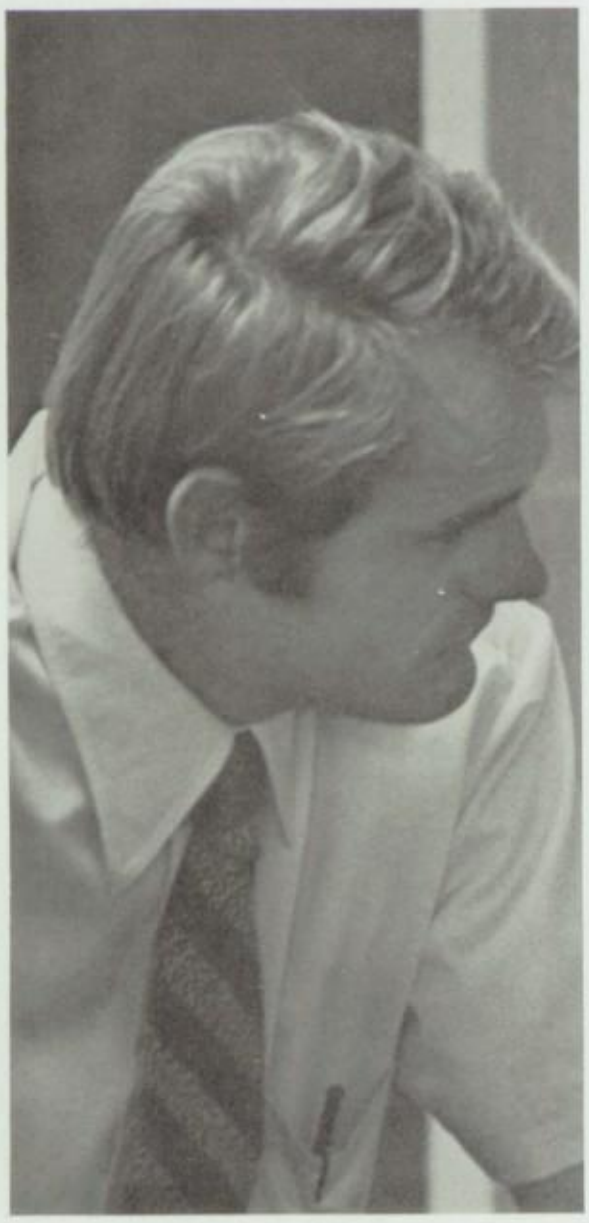
Rumors that Mr. Peale couldn't scratch his head and hold something at the same time are untrue. (Don't get mad Mr. Peale we really love you!) The sequence of pictures is of Mr. Benavides, one of our counselors. Giving us his profile is Mr. Ortega. Mrs. Perkins is showing us one of her pretty smiles. Next to her is Mr. Carr, one of our English teachers. In the stripped shirt is Mr. Smithson asking if anyone has any criticisms or witicisms.



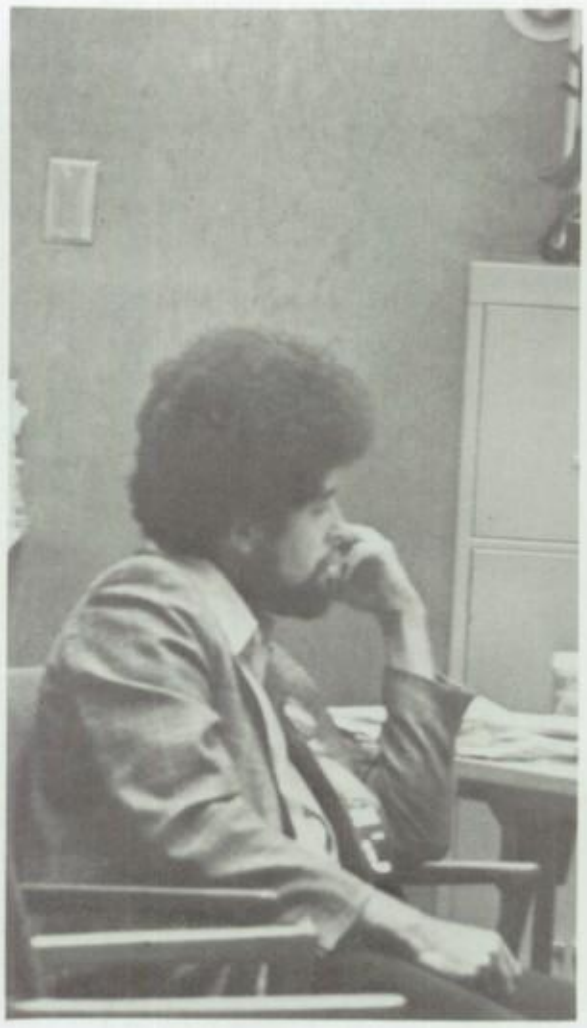
and Hard Workers

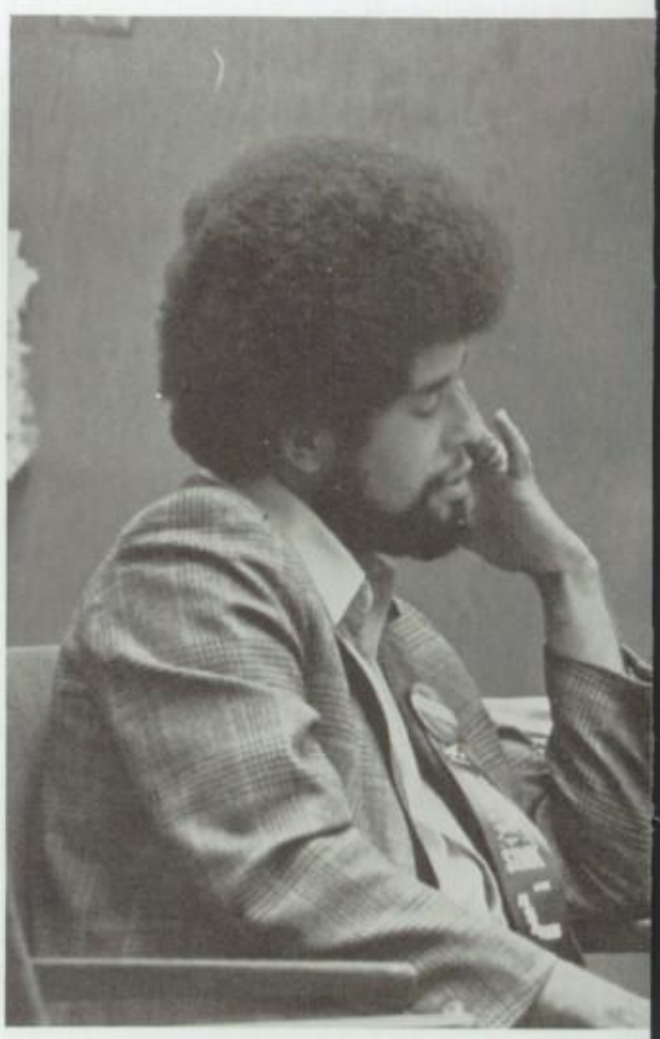




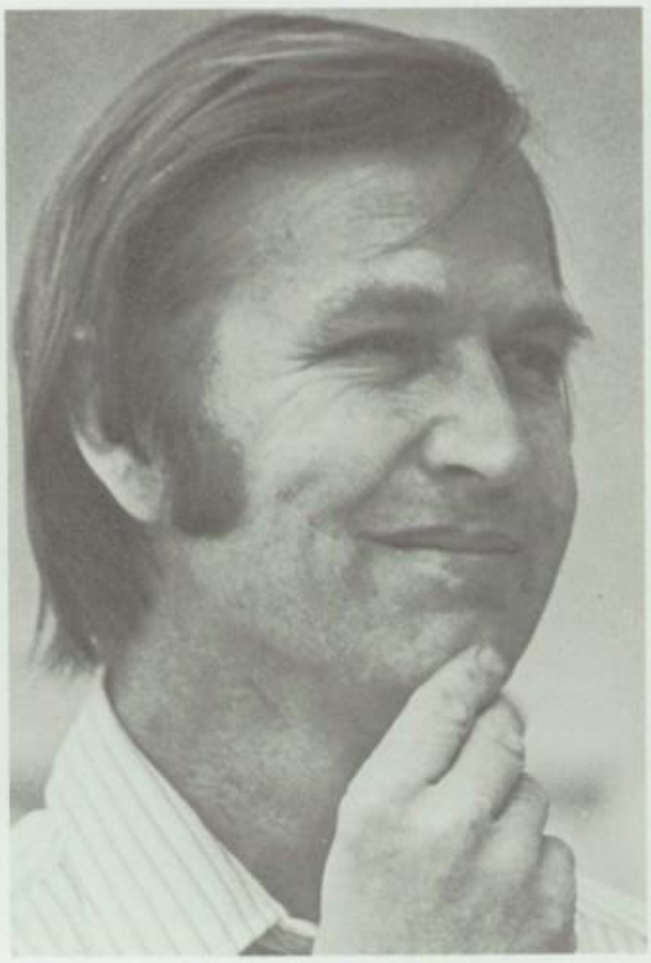


In her checked outfit is Mrs. Robinson. Showing his pretty teeth is Mr. Cummins. With his stern look is Mr. Nickerson. Our head librarian with her stylish earrings is Mrs. Shaw. Finally the sequence of the hard working counselor is Mr. Mac Ateer. Mr. Whaley is the guy with the pencil in his ear who always has something nice to say. The youthful looking teacher is Mr. Brent. Mr. Fessler is the man that is noted for his crew cut. In his stripped tie is Mr. Tope. Miss Fiant is the nice lady with the helpful and concerned look.



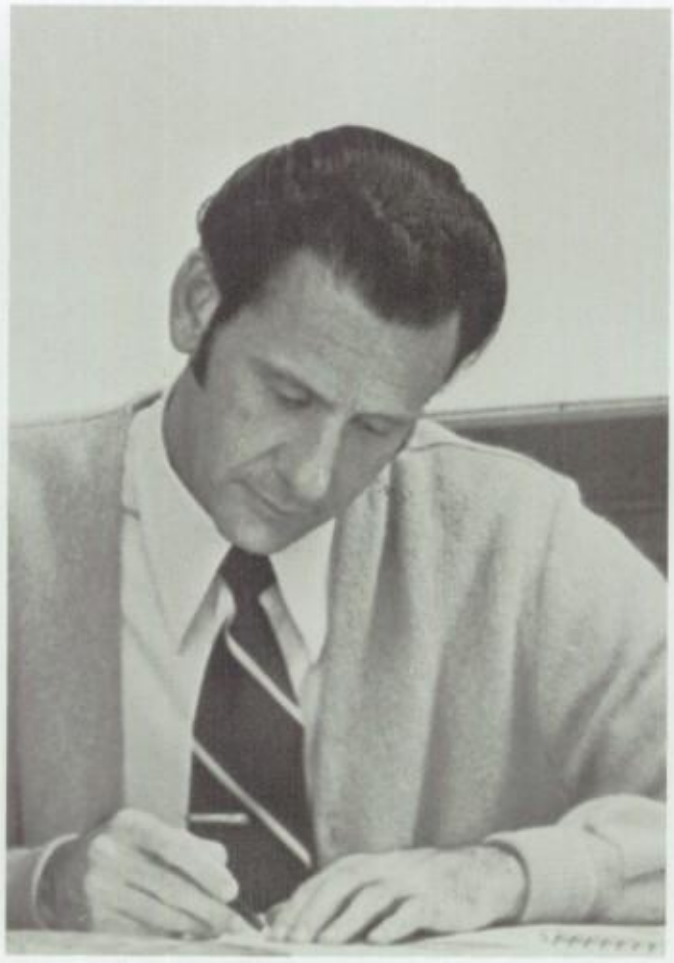


and Dedication



Miss Hudson our dedicated and hard working Falconette advisor and girls athletic coach is pictured top left. Center top is band director Mr. Searcy. The newest addition to the faculty is Miss Noel. Last but not least is Mrs. Sullivan.

On page 72 are Mrs. Stolte, Home Economics, a double shot of counselor Ron Travis and scientific skier, Fran Whipple.



Duarte's favorite art teacher is Mrs. Mortenson top left. Next to her is Financial Wizard Mr. Goldstein. In her stripped outfit is Mrs. Reed. Miss Kyndberg pictured below is the Head of the girls P.E. Department and also the Tennis Coach for the girls.

and that's what our faculty is made of!

Pictured top right is Mr. Hollen who teaches business classes, and also coaches football and baseball teams. Shown at his lectern is Mr. Bedwell, he teaches law classes when he isn't working as a Los Angeles County Sheriff. All you loyal Mr. Lynch fans might think we forgot him but we didn't he is on page 65 playing chess with Mr. Fessler. We hope you have enjoyed the faculty section as much as we have!

We would like to express our gratitude and appreciation to Mr. Flores. He has been our class Advisor since we entered Duarte High as Freshmen. A Change We Regret-

The senior class would like the rest of the school to take note; Mrs. Seares is leaving us this year. She is the only Senior class sponsor that this school has ever known. We dedicate the senior section to her with all our gratitude and love for the years to come.

We also give our many thanks to Mrs. Sullivan for being the co-sponsor for the senior class.

Pictured below are sponsors for 73-74 senior class, Mrs. Sullivan and Mrs. Seares.

This yearbook was designed solely for the purpose of creating nostalgic memories by comparing progressional advancement and demonstrating the idiosyncrasies of the indispensable choreographic details that make up Duarte High School. Hopefully, the personalized photography shows the idol-like celebrities and all the little people who make the institution of Duarte High school the final step of each graduating class toward their journey into the regions of adulthood.

That's All Folks

As you turn the last page of this year's Halconado we, the editors, hope we have instilled in you the progress Duarte High has made since 1957, and we hope this spirit of progress will be everlasting!!!

We especially would like to express our thanks to the following people; Mike Martin, our advisor who was so dedicated to his staff he even gave up watching his favorite T.V. show "Wonder-rama", Glenbrier Studios for their superb photography, Mrs. Bement for all the extra time she spent hassling all the yearbook receipts, the coaching staff for their cooperation in scheduling pictures, Mr. Gibson of Pischel Yearbooks, and last but not least the Halconado Staff of 1974.

Kathy and Debi
Editors

Dear Mark,
You are someone very special to me. I have really enjoyed being friends with you. It was a blast playing tennis with you (and even now) right? Well I guess it's time to say goodbye. I really had a lot of fun with you sometime after school. I hope (and pray) that we can play again soon. I went to the beach a lot this summer looking for cute guys. I hope you find whatever you're looking for. I really would find it. I hope it will be as fulfilled and I hope it will be as soon as your life enjoyed our friendship and I hope it will have a great summer! last forever (I know it will). Have a great always,

Carol '75

PISCHEL YEARBOOKS, INC.

Mark, have
we had alot
really good times together
of this year! And we've been
thru some strange things
I hope to see you alot this
summer + next year! Have fun +
try to stay out of trouble!
Love ya always
Vicki

Mark,
You are
definitely one
of the most dumbest
and craziest guys I
know. But I like ya like
that. We've known you along time
and I glad I have. I just wish
there were more people around like
you cuz you get along with everyone and
everyone gets along with you. Your just one
of those guys that people can't hate. We are
going to have to get together and do dumb things
this summer, if ya want to? I know all see ya this
summer, I hope & will. Hey, you better be good
and stay out of trouble, or at least try. That means
BE GOOD!!! Have a good time at the River with Dawn, Shawn,
and Hugh. But remember BE GOOD!!! See ya Herald.
Love ya Always,
Jamie
